

BÄREMANI

ABOUT (ENGLISH VERSION)

With his spectacular sets, the Bernese DJ and producer Bäremani creates a fusion of diverse music styles, bestowing them a strong flavoring of his own. Following the tasting and seasoning, evergreens like «Losing my Religion» or «Cruel Summer» go perfectly with seasonal fruit from the areas of HipHop, R'n'B, Funk, Electro und House. The final mix is served in combination with a bouquet of innovative electro and minimal based beats, offering a new, young and fresh note, whilst embracing the idiosyncrasy of miscellaneous musical epochs.

BIO (ENGLISH VERSION)

Bäremani's music career kicked off in 2007 as a rapper, producer and composer for the Bernese band "Candy From A Stranger" (CFAS). With the success of CFAS evolved three albums and two single releases. Notable guests such as well-known Swiss singer/songwriter Peter Reber starred alongside the four band members. The first electronic remixes of Bäremani's repertoire developed further during his work on the latest album "1nisch" (2013/iMusician). Since 2013, Bäremani DJ Set is now on the road serving up an exciting and wide-ranging sound for diverse musical appetites.
